

EXPERIENCE

BARBARA ALBERT

Barbara is the Co-CEO of 100% Renewables. She is a consultant, speaker and author of 'Energy Unlimited' as well as numerous booklets, blogs and articles on climate change action.

She predominantly works with large energy users who want to be leaders in responding to climate change and specialises in helping organisations drive towards net profit with zero emissions.

Barbara is a preferred supplier for Governments and sits on the advisory board of *Renewable Cities Australia* and the *Environmental Advisory Board* of Hornsby Shire Council. In 2019, she received the Energy Leaders Inspiration Award.
